

Confirming a commitment to the Goolwa community

AVJennings is pleased to announce that it will be the major sponsor of 2011 South Australian Wooden Boat Festival to be held at Goolwa in February 2011.

AVJennings has been an active member of the Goolwa community supporting local businesses since the River Breeze estate was released in 2007.

AVJennings Executive General Manager, Brian Virgo said the Festival is a Goolwa icon, showcasing the fun and relaxed lifestyle of the township and surrounding region.

"The very nature and feel of this event is an example of the lifestyle that can be enjoyed in Goolwa," he said.

"We are pleased to have become part of this vibrant community and we are very proud to further strengthen our commitment to the town and the region as major sponsor of the 2011 South Australian Wooden Boat Festival," says Mr Virgo.

Residents of the River Breeze estate will be able to enjoy a leisurely five minute walk to the river and watch the magnificent display of wooden boats on the weekend of the festival. Ideally located a short distance from the township of Goolwa, River Breeze really does offer the ultimate opportunity for coastal living.
